Website www.hpv.ie

The screenshot shows the top portion of the HPV.ie website. At the top left is the HSE logo. To its right are navigation links: Home, Skip Nav, A to Z, Links, and Contact Us. A search bar with the placeholder text "Type your search term here" and a magnifying glass icon is positioned to the right of these links. Below the navigation is a horizontal menu with three main categories: PUBLIC INFORMATION (highlighted in green), WORKING IN THE HSE (purple), and ABOUT THE HSE (blue). Underneath this is a secondary menu with links: Swine Flu, Find a Health Service, News Centre, Map Centre, Your Health, Your Comments, and Publications. A breadcrumb trail below the menu reads "You are here: Home > English > Public Information". To the right of the breadcrumb is a "Text Resize" control with minus and plus icons. The main content area begins with the heading "Welcome to HPV.ie from the HSE". Below this is a paragraph of introductory text. The page then features four article teasers, each with a circular "HPV vaccine" icon and a link to the full article:

- [About HPV and Cervical Cancer - Let's start at the beginning!](#) What is HPV, how do you get it and how does it cause cancer?
- [Who will get HPV vaccine?](#) This vaccine is being given to all girls going into 1st Year and 2nd Year this September. Read more about who is getting HPV vaccine
- [Is it safe? Does it hurt?](#) Yes it is safe, and it might hurt a tiny bit - but it's worth it! Read all about Vaccine Safety here
